

A.S. IN DENTAL ASSISTING

The Dental Assisting Program is a career technical program that prepares students for entry-level employment as a dental assistant. Upon completion, the graduate is prepared and eligible to sit for the California State Registered Dental Assistant Examination and the National Certification Examination to become licensed dental assistants. This program is accredited by the American Dental Association Commission on Accreditation and the Dental Board of California. Students must maintain a minimum grade of "C" (75%) in all dental courses.

Learning Outcomes

A.S. Degree Level Student Learning Outcomes

Students completing the Dental Assisting A.S. Degree will:

1. Use correct dental terminology and nomenclature in the correct context in order to effectively communicate dental information and concepts to others.
2. Develop problem-solving and self-assessment skills and make appropriate decisions regarding a variety of procedural situations.
3. Demonstrate the ability to interact with patients and work effectively as a member of the dental team.
4. Maintain the standard of care during dental treatment and promote oral health.
5. Develop the ability to use and adapt to current technology used in dental practices.
6. Demonstrate proficiency in the current duties of an RDA, practicing within the delegated duties (scope of practice).
7. Develop foundational knowledge of dental procedures and the ability to communicate and apply their concepts and principles.
